Help provide Pequannock Township with the beauty and legacy of your donated Bench or Cherry Tree.

The Pequannock Township Parks & Recreation Department was established over 35 years ago. It is our priority to preserve and improve our parks for all of Pequannock Township to enjoy.

Our facilities include approximately 400 acres of parkland, playgrounds, lakes, 6 tennis courts, 3 baseball fields, 7 softball fields, and 12 soccer fields. It is in these specific spots that our community members have grown up and collected many memories. To honor, recognize, and remember those times and the people we shared them with, we are starting a park gifting program in which you can donate a Cherry tree or Bench. Now is your chance to leave your legacy.

Donors should be aware that the Parks & Recreation Department reserves the right to remove trees or benches that have reached the end of its useful life.

The Pequannock Parks & Recreation Gifting Program provides individuals and organizations the opportunity to help improve and preserve our parks.

We are providing donors with two options to help better Pequannock Township.

A Cherry Tree Donation will allow for a new Cherry Tree to be planted in the park of your choosing. Tree donations can be planted in memory of a lost loved one, in honor of dedicated service members and organizations, or as great way to celebrate an occasion. A tree donation is a great way to share a gift with many generations. No plaques are permitted on or near the trees, but a plaque acknowledging all donations will be on display in the Parks & Recreation office. \$250

If you prefer, you may donate a bench in the park of your choice. Your donation can be in memory, honor, or appreciation of someone or something special. A plaque with your name or message will be mounted on the bench. Donations cover the cost of the bench and the plaque commemorating your donation. \$600
