Health Education Programs

Jean and Sue collaborated with the Bloomingtondale library and conducted story time. We used the opportunity to read two stories related to vision and created an "eyeglasses" craft. There were 13 children and 8 adults present. Additionally a free vision screening was offered 4 children were screened; none referred.

Poison Prevention Poster Contest: Award Ceremony was held in Kinnelon and Bloomingtondale

Jean and Sue met with children's library director in Riverdale, planned story time /Pre K vision screening this summer.

Pequannock monthly community educational board in the municipal building, updated with Skin Cancer Awareness information

Jean attended Bloomingtondales Stigma Free Task Force meeting

Looking Forward:

Florham Park

- 1 case other – Zika [approved for testing]

Individualized Clinical Services

Schuyler Ave: Follow up by HD by first aid squad; concerned about elderly resident who lives alone. Sue visited patient and spoke with family. Resources offered, referrals refused by resident. No further action at this time.

Maternal Child Health

4 children physicals total immunizations given----- 10 immunizations given

2 children seen----- 2 immunizations given

1 adult seen----- 1 vaccine received

Animal Control

Florham Park:

- Intake 5 cats (two mother cats with four nursing kittens)

Complaints

Riverdale:

Rodent Activity— [recent construction on RR crossings & river is nearby]

- ⇒ Fernwood Crescent
- ⇒ Parkway (three residences)
- ⇒ Newark Pompton Turnpike
- ⇒ Post Lane/Munn

The Grande—Parvo complaint—residents dog got sick; some dog owners are not picking up feces; also worked together with ACO on complaint.

Bubbles n Bones—dog contracted a severe infection from a nick requiring hospitalization. Inspection revealed minimal to no sanitizing of the cutting equipment. Proper procedures/best practices reviewed with the owner. Will re-inspect two weeks from inspection date.

Pequannock: Tilley Ave.—Garbage in driveway—ongoing
7-Eleven—Insanitary bathroom—abated
Elmwood Rd.—Rodent activity—ongoing
Turnpike—Stagnant water—abated
Rout 23— Stagnant water—ongoing

Bloomingtondale: Van Dam Ave.—Chickens & rooster—abated

Kinnelon: Standish Ln.—Septic overflow— ongoing
Ricker Rd.—Septic overflow—ongoing
