

# PEQUANNOCK'S VOLUNTARY PLASTIC FILM RECYCLING PROGRAM

Currently, Pequannock Township's curbside recycling program does **not** accept plastic film like plastic bags and wrap.

Via a collaborative program involving composite deck maker Trex, the Pequannock Environmental Commission, the Pompton Plains Stop and Shop, and the Pequannock Library, **you can now bring acceptable forms of plastic film to the Library to be recycled:**

**What can be recycled?**  

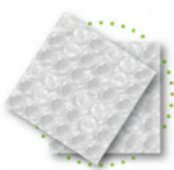

- All items must be clean, dry and free of food residue.
- All plastic should be "stretchy," not rigid or crinkly.

Grocery bags

Bread bags

Bubble wrap

Dry cleaning bags

Newspaper sleeves

Ice bags

Plastic shipping envelopes

Ziploc & other reclosable food storage bags

Cereal bags

Case overwrap

Salt bags

Pallet wrap & stretch film

Wood pellet bags

Produce bags

**NO OTHER TYPES OF PLASTIC FILM PLEASE - THEY WILL CONTAMINATE THE BATCH !**

## WHEN YOU PARTICIPATE, YOU WILL:

- Keep plastic out of the environment
- Put used plastic back to use
- Reduce the need for more petroleum
- For every 500 lbs of plastic film that we recycle in a 6-month period, Trex Corporation will donate one new, recycled-plastic park bench.
