

2025 Solid Waste Collection Tuesdays & Fridays

Garbage collection is provided twice a week, Tuesday and Friday. There will be no collection on July 4, 2025. ALL RECYCLABLE MATERIAL must be removed from garbage prior to collection. All garbage shall be placed in a suitable watertight container within five feet of the street in front of your premises. Containers **must be** placed out prior to 6:00 A.M. on collection day and must be removed no later than 6:00 P.M. on the day of collection. Collection times on any given day may change without notice. **Each curbside collection point will be allowed two thirty gallon or equivalent containers of each solid waste collection days.**

If you are selling or cleaning out your home and have an excessive amount of debris, you must hire a private contractor.

Occasionally, collection is delayed due to equipment malfunction and/or inclement weather. During these times we ask for your patience until the conditions improve or the problems are corrected. Thank you.

Large Household Items such as carpeting, furniture, and other over sized articles (except Metal Articles) can be placed at curbside with your regular garbage on any regular garbage collection day. Carpeting must be tied in bundles not to exceed four feet in length.

Building Material (such as fences, plumbing fixtures, roof shingles, siding, wood debris, plywood, sheet rock, etc.) and Automobile Parts are not collected as part of our solid waste or recycling programs. Residents who need to discard these types of materials must make private arrangements with their general contractor performing the home improvement; contact a solid waste hauler; or, transport material to the [Morris County Transfer Station](#) located at 1100 Edwards Road, Parsippany, NJ 07054. (973) 808-9651 (The Township does not provide pick-up services for these types of materials).

Appliances & Large Metal Items - Every Friday Appliances & large metal items will be collected curbside on Fridays. Please remove the doors and shelves from refrigerators. A request for the pickup of white goods, such as refrigerators, washers, dryers and other large household appliances, must be submitted each week by Wednesday for that Friday's pickup. This submission must be made via email to whitegoods@peqtwp.org. The request must include the address, type and number of white goods that will be curbside for that Friday's pickup.
