

Vegetative Waste Collection is Mondays excluding Memorial Day 5/26/25 and Labor Day 9/1/25. There is NO make up. Please put materials out the following Monday for collection.

All grass, leaves, and brush will be *collected every Monday from April 7th Through December 22, 2025*. Christmas trees will be collected twice in January (see insert below.) Material **MUST** be prepared and placed at curbside in the following manner or it will not be collected.

Place all material in either unlined garbage pails or in **BIODEGRADABLE** paper bags **NOT TO EXCEED 40 POUNDS IN WEIGHT**. Plastic bags (even those labeled "biodegradable") are not acceptable.

NOTE: LANDSCAPING BARRELS MAY NOT BE USED FOR CURBSIDE DISPOSAL.

Brush (no longer than four inches in diameter) may also be bundled and tied, not to exceed four feet in length, forty pounds in weight, or two feet in diameter so as to be picked up and handled by one person.

In the Autumn of each year, the Township also collects leaves raked to the curb. Saturday and Sunday collections are sometimes included to take advantage of favorable weather conditions.

Leaves raked into piles should be placed near the curb or the road. **LEAVES MUST NOT BE PLACED IN THE ROADWAY** where they can block drainage or pose a safety hazard for vehicles and children.

Litter such as branches, glass, paper, etc. should not be raked within the leaves. Such litter delays the pick up schedule and causes damage to equipment.

NOTE: Christmas trees will be collected on January 13, 2025 and January 27, 2025. Please place trees at curbside prior to 6:00 a.m. void of all ornaments and tinsel.

DO NOT put the tree in a plastic bag.
