BE IT ORDAINED by the Township Council of the Township of Pequannock in the County of Morris, New Jersey (not less than two-thirds of all members thereof affirmatively concurring) as Follows:

Section 1. The improvement described in Section 4(a) of this bond ordinance has heretofore been authorized to be undertaken by the Township of Pequannock, in the County of Morris, New Jersey (the "Township"). This bond ordinance will amend such improvement and will provide for a supplemental appropriation of \$5,560,000 to Bond Ordinance #2007-13, finally adopted April 24, 2007 ("Bond Ordinance #2007-13"), which appropriated \$1,105,000, and will restate and reauthorize Bond Ordinance #2014-18 in its entirety, finally adopted August 12, 2014 ("Bond Ordinance #2014-18"), which provided for a supplemental appropriation of \$2,270,000, so the total appropriation for this improvement or purpose will be \$8,935,000 and the total amount of bonds or bond anticipation notes will be \$8,880,000. No down payment is required as the purpose authorized herein is deemed self-liquidating and the bonds and bond anticipation notes authorized herein are deductible from the gross debt of the Township, as more fully explained in Section 7(e) of this bond ordinance.

Section 2. In order to finance the additional cost of the improvement or purpose, negotiable bonds are hereby authorized to be issued in the principal amount of \$5,560,000 pursuant to the Local Bond Law. In anticipation of the issuance of the bonds, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

Section 3. Section 3(a) of Bond Ordinance #2007-13, as supplemented by Bond Ordinance #2014-18, is hereby amended in its entirety to read as stated in Section 4(a) herein.

Section 4.

(a) The improvement heretofore authorized and the purpose for the financing of which the bonds are to be issued is various improvements to the Water Utility, including the engineering, design and construction of an elevated water storage tank to be integrated with and provide system pressure throughout the Municipal Water System, the replacement of the Greenview water tank variable speed drives and controls, the acquisition of land for the tank and the construction of a water main to connect the tank to the Municipal Water System at several locations, including all work and materials necessary therefor and incidental thereto.

(b) The estimated maximum amount of bonds or bond anticipation notes to be issued for the improvement or purpose is \$8,800,000, including the \$1,050,000 authorized by Bond

Ordinance #2007-13, the \$2,270,000 authorized by Bond Ordinance #2014-18 and the \$5,560,000 bonds or bond anticipation notes authorized herein.

(c) The estimated cost of the improvement or purpose is \$8,935,000, including the \$1,105,000 appropriated by Bond Ordinance #2007-13, the \$2,270,000 appropriated by Bond Ordinance #2014-18 and the \$5,560,000 appropriated herein.

Section 5. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the chief financial officer; provided that no bond anticipation note shall mature later than one year from its date. The bond anticipation notes shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer. The chief financial officer shall determine all matters in connection with bond anticipation notes issued pursuant to this bond ordinance, and the chief financial officer's signature upon the bond anticipation notes shall be conclusive evidence as to all such determinations. All bond anticipation notes issued hereunder may be renewed from time to time subject to the provisions of the Local Bond Law. The chief financial officer is hereby authorized to sell part or all of the bond anticipation notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of the bond anticipation notes pursuant to this bond ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the bond anticipation notes sold, the price obtained and the name of the purchaser.

Section 6. The Township hereby certifies that it has adopted a capital budget or a temporary capital budget, as applicable. The capital or temporary capital budget of the Township is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith. To the extent that the purposes authorized herein are inconsistent with the adopted capital or temporary capital budget, a revised capital or temporary capital budget has been filed with the Division of Local Government Services.

Section 7. The following additional matters are hereby determined, declared, recited and stated:

- (a) The improvement or purpose described in Section 4(a) of this bond ordinance is not a current expense. It is an improvement or purpose that the Township may lawfully undertake as a self-liquidating purpose of a municipal public utility. No part of the cost thereof has been or shall be specially assessed on property specially benefitted thereby.
- (b) The period of usefulness of the improvement or purpose within the limitations of the Local Bond Law, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is 40 years.
- (c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the Township as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$5,560,000, but that the net debt of the

Township determined as provided in the Local Bond Law is not increased by this bond ordinance. The obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law.

(d) An aggregate amount not exceeding \$1,055,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost indicated herein for the purpose or improvement. Of this amount, \$135,000 was estimated for these items of expense in Bond Ordinance #2007-13, \$300,000 was estimated for these items of expense in Bond Ordinance #2014-18 and an additional \$620,000 is estimated therefor herein.

(e) This bond ordinance authorized obligations of the Township solely for purposes described in N.J.S.A. 40A:2-7(h). The obligations authorized herein are to be issued for a purpose that is deemed to be self-liquidating pursuant to N.J.S.A. 40A:2-47(a) and are deductible from the gross debt of the Township pursuant to N.J.S.A. 40A:2-44(c).

Section 8. The Township hereby declares the intent of the Township to issue bonds or bond anticipation notes in the amount authorized in Section 2 of this bond ordinance and to use the proceeds to pay or reimburse expenditures for the costs of the purposes described in Section 4(a) of this bond ordinance. This Section 8 is a declaration of intent within the meaning and for purposes of Treasury Regulations.

Section 9. Any grant moneys received for the purpose described in Section 4(a) hereof shall be applied either to direct payment of the cost of the improvement or to payment of the obligations issued pursuant to this bond ordinance. The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such funds are so used.

Section 10. The chief financial officer of the Township is hereby authorized to prepare and to update from time to time as necessary a financial disclosure document to be distributed in connection with the sale of obligations of the Township and to execute such disclosure document on behalf of the Township. The chief financial officer is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the Township pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") for the benefit of holders and beneficial owners of obligations of the Township and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. In the event that the Township fails to comply with its undertaking, the Township shall not be liable for any monetary damages, and the remedy shall be limited to specific performance of the undertaking.

Section 11. The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Township, and the Township shall be obligated to levy *ad valorem* taxes upon all the taxable real property within the Township for the payment of the obligations and the interest thereon without limitation of rate or amount.

Section 12. In connection with Bond Ordinance #2014-18, any actions taken by the Township officials in reliance on that authorization are ratified and confirmed and will be deemed to have been taken pursuant this bond ordinance upon the effective date of this bond ordinance.

Section 13. This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law.
